Embedded Amendment History

Effective Date	Document	Commercial Change	Economic Impact
2024-02-15	Amendment No. 1	Right-size premise by surrendering 1,200 sq ft and extending term by 24 months.	Base rent reset from \$28.50 to \$31.20 per sq ft effective 2024-04-01.
2025-06-30	Amendment No. 2	Landlord funded HVAC replacement under work letter; tenant accepted restoration cap.	Additional rent true-up cap at 7.5%; one-time TI repayment clause triggered on early exit.
2025-11-01	Side Letter	Pandemic deferral recapture schedule finalized.	Deferred rent of \$114,000 recovered over 12 months starting 2026-01-01.

Base Rent and Additional Rent Step-Up Schedule

Lease Year	Base Rent / Month	Additional Rent / Month	Notes
2023	\$28,500	\$8,000	Two months free base rent at commencement
2024	\$30,680	\$8,420	Partial area reduction after Amendment No. 1
2025	\$31,447	\$8,631	2.5% scheduled step-up
2026	\$32,233	\$9,050	Deferred rent recapture + CAM reset
2027	\$33,039	\$9,263	2.5% scheduled step-up
2028	\$33,865	\$9,495	2.5% scheduled step-up

Additional Clauses Frequently Flagged in Diligence

1. Holdover rent set at 150% of last month gross rent for first 60 days, then 200% thereafter.
2. Assignment and subletting subject to landlord consent; profit-sharing on sublease income above current rent.
3. CAM and tax reconciliations invoiced annually; tenant has 18 months to challenge with audit rights.
4. SNDA required for lender non-disturbance; estoppel certificate delivery within 10 business days.
5. Restoration obligations capped only where explicitly amended; otherwise full restoration standard applies.

Diligence Watch Items

1. Deferred rent recapture embedded in 2026 cash rent profile.
2. Term extension consideration linked to landlord capex reimbursement and restoration cap.
3. Operating expense passthrough includes non-controllable carveout exclusions that should be tested.
