Additional Clauses Frequently Flagged in Diligence

1. Holdover rent set at 150% of last month gross rent for first 60 days, then 200% thereafter.
2. Assignment and subletting subject to landlord consent; profit-sharing on sublease income above current rent.
3. CAM and tax reconciliations invoiced annually; tenant has 18 months to challenge with audit rights.
4. SNDA required for lender non-disturbance; estoppel certificate delivery within 10 business days.
5. Restoration obligations capped only where explicitly amended; otherwise full restoration standard applies.

Diligence Watch Items

1. Expansion space economics blended into base rent after first anniversary.
2. Renewal pricing floor may create above-market exposure if downtown rents soften.
3. Utility recovery add-on introduced in Amendment No. 2 is not capped.
